2 County Code is amended, to read:

3 **16.027A County Fee: Booking or Other Processing Services.**

4 A criminal justice administrative fee for booking or other processing in the  
5 amount of one hundred sixty-eight dollars and twenty cents (\$168.20) is imposed. The  
6 fee is imposed upon a city, special district, school district, community college district,  
7 college, or university for each person arrested by an employee of that entity and brought  
8 to a County detention facility or jail for booking or detention. For purposes of this  
9 subsection, an "employee" shall include any person making an arrest on behalf of an  
10 agency enumerated above, including those arrests made on behalf of an agency  
11 contracting for law enforcement services with the County. The criminal justice  
12 administrative fee shall apply to any arrest attributable to an above-specified entity  
13 where an arrestee is brought to a County detention facility or jail for booking or  
14 detention.

15 The criminal justice administrative fee shall only apply to original or "fresh"  
16 arrests, and shall not apply to holds placed, commitments, warrants, remands, bail bond  
17 surrenders, enroutes (temporary holds placed by agencies transporting prisoners),  
18 temporary detention at a court facility where the arrestee has been previously booked at  
19 a County detention facility, orders of production, orders of return, rollups (inmates  
20 returning from work release), or escapees from county, state or federal detention or  
21 corrections facilities. The criminal justice administrative fee shall not be charged when  
22 multiple law enforcement agencies participate in a particular arrest and one of the  
23 agencies is the San Bernardino County Sheriff's Department not acting on behalf of a  
24 contract law enforcement city, or when a formal task force, as defined by Government  
25 Code section 29550(b)(8), has made the arrest, or where an arrest is made during any  
26 riot, disturbance, or event that is subject to a declaration of state of emergency by the  
27 Governor, or where such fee is otherwise prohibited by law.

28 The criminal justice administrative fee shall apply to all applicable booking or

1 other processing services rendered on or after July 1, 1990. The County shall prepare  
2 and send invoices to each city, special district, school district, community college  
3 district, college, or university, and said invoices shall include the name of each arrestee  
4 for which an agency is billed and the date(s) the services were provided. An invoice  
5 shall be due and payable thirty (30) days after the date of the invoice. Delinquent fees  
6 may be reimbursed through offset, provided such offset is not prohibited by law.

2 County Code is amended, to read:

3 **16.0222 Refuse Disposal.**

4 (a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee Upon  
5 Entrance:

6 Fees

7 (1) (A) Ordinary refuse.....\$40.00/ton  
8 (The \$40.78/ton gate fee collected at landfill entry stations is comprised of  
9 the above \$40.00/ton fee plus the \$.78/ton Environmental Health Services  
10 fee provided for in section 16.0213C(a)(1) of the County Code.)

11 (B) Ordinary refuse subject to the Comprehensive Disposal Site  
12 Diversion Program (AB 939 Fee) .....\$10.00/ton  
13 (This fee is charged in addition to the per ton gate fee set forth in  
14 subsection (a)(1)(A) above. This fee is charged on solid waste brought to  
15 a facility at which the Comprehensive Disposal Site Diversion Program  
16 has been implemented, unless such solid waste is waste from a  
17 franchised or permitted waste hauler [or from a City, if the City collects its  
18 citizen's waste] and is brought in a front-, rear-, or side-loading refuse  
19 vehicle [i.e., packer truck] or is waste brought from a Materials Recovery  
20 Facility or transfer station.)

21 (2) Uncovered/Unsecured Loads  
22 To encourage the entrance into County waste facilities of loads that are  
23 properly secured or covered pursuant to applicable State or local laws and  
24 in deflection of the additional costs incurred because of waste escaping  
25 such vehicles, loads brought to such facilities which are not properly  
26 secured or covered will be required to pay an additional Solid Waste  
27 Management Disposal Site Fee equal to the normal applicable disposal  
28 gate fee (including any applicable perchlorate add-on fee) for such waste.

1 This will apply to both minimum and per ton loads, and also loads which  
2 would otherwise pay no gate fee, given the payment of a Land Use Fee  
3 pursuant to the provisions of County Code section 16.0222(c).

4 (3) Processed Green Waste .....\$1.81/ton  
5 (The gate fee collected at landfill entry stations does not include any  
6 perchlorate add-on fee or Environmental Health Services fee.)

7 (b) Fee Adjustments:

8 Whenever use of a disposal site financed by land use fees is restricted by order  
9 of the Board of Supervisors and refuse is thereby hauled to other sites, the Board of  
10 Supervisors may permit acceptance of such refuse without charge at the receiving sites.

11 (c) Solid Waste Management Disposal Facility Fees:

12 (1) The following annual refuse disposal land use fees, based on the County  
13 Assessor's Land Use Codes, shall apply in the following areas. Where the

15 building size or number of dwelling units of parcel, but the relevant data  
16 base does not disclose sufficient building size or unit information to  
17 determine the correct category for a particular parcel, said parcel shall be  
18 charged as though it were the third smallest sized category if there are five  
19 or six size categories. If paid, such land use fees shall constitute, relative  
20 to ordinary refuse (excluding demolition waste, tires and hard to handle  
21 and special handling items) generated on the parcel of property for which  
22 the fee is paid, payment of the ordinary refuse per ton fee as set forth in  
23 subsection 16.0222(a)(1), and the passenger/light use vehicle and trailer
